

IIEA Membership

Join Ireland's leading policy network

Why become a member?

The Institute of International and European Affairs is a leading independent international affairs and public policy research institute. Through expert research, high-profile events and trusted analysis, we help organisations understand the global trends shaping Ireland's future.

IIEA membership offers you and your organisation the opportunity to:

Learn

Gain policy insights, analysis and context through our research and events programmes

Engage

Engage in debate and discussion on policy areas that influence your organisation tomorrow

Contribute

Be part of the bigger picture and contribute to the conversations that inform the work of Ireland's decision-makers

Connect

Grow your network with policymakers, diplomats and business leaders

Member benefits include

- Access to expert research
- Invitations to exclusive events
- Networking with leaders across government, business and academia
- Weekly policy digest
- Monthly newsletter
- Partnership opportunities
- Hybrid event facilities and hospitality

Featured Speakers

Janet Yellen

Former US Treasury Secretary

Marta Kos

EU Commissioner for Enlargement

Paschal Donohoe

President, Eurogroup

Edouard Philippe

Former Prime Minister of France

Síofra O'Leary

Former President, European Court of Human Rights

“

Ireland's going to be faced with lots of different challenges. As a business member of the IIEA, you get to understand the key issues that are going to shape your strategies and shape your future.

Terence O'Rourke
Chair, ESB and RTE

”
